Birte said she noticed that there was something wrong with Gaucho immediately he wasn't moving like he normally does, but Gaucho just stayed in the ring and did his best job trying to please Birte.

When Gaucho finished in the ring, they went back to the tent and Gaucho had to go number 2 at once. So that's why Gaucho was not doing his normal movement for Birte in the ring, but it was very kind of Gaucho to try to please Birte by being showed when he did have to go number 2 so badly!

The Israel Judge still gave Gaucho a (SL)- which is very promising and 3rd place!
